

KATIE LEEDE & COMPANY

OSIRIS

While wandering through the Egyptian section of the Louvre, Katie spotted a raised limestone relief depicting the Goddess Hathor giving King Sety I a necklace of protection. The pattern of Osiris comes directly from the goddess chic dress (c.1280 B.C.). Some things never go out of style. Osiris is hand-printed on 100% Belgian linen and is available in two handsome colourways: Pepper and Medjool.

100% Linen

Width 52"

Repeat: 16.5" H x 11.5" V

OSI-01 Pepper

OSI-02 Medjool
