## TUAREG

The radiating star pattern for "Tuareg" is a familiar motif seen in the intricate, mosaic "Zellig" tile work of Morocco. Here, the small, geometric design has been simplified and hand drawn to create a more spontaneous, artful effect that is easy to live with and the look of which transcends cultural boundaries.

"Tuareg" - a word that means "to travel" - is available in a wide array of colorways: Pyrite Sky, Juniper Thicket, Porcupine, Riad Jewel, Azul Pool and Ruby Fez.
