ZAHRA

“Zahra” represents Katie’s version of “Paisley visits Morocco”. The teardrop motif of paisleys has been popular in Persian and Indian cloths and in textiles around the world through trade for centuries. Herewith “Zahra”, available in a multitude of colors, we decided to produce a similar pattern that captures a looser, hand-painted quality which seems just right for a not-to-o-fancy wallpaper. Have fun with this one!
