JAIPUR STRIPE

Our KLC Jaipur Stripe fabric is finally being produced in wallpaper form! We couldn't be more thrilled to add this to our collection and can't wait to see these patterns blossom on the walls of your next project.

Jaipur Stripe is one of Katie's favorite designs. Inspired by an element from an antique dowry embroidery from Armenia.

Jaipur Stripe reminds Katie of familial stories behind all beautiful things, in this case a wedding. Jaipur Stripe is a grasscloth wallpaper and is available in the handsome mint green colorway.
